Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent.

Inspection of the file of the application for the patent reveals that column 18, line 22, in the patent, is printed in accordance with the record in the Patent and Trademark Office, as passed to issue by the examiner. There being no fault on the part of the Patent and Trademark Office, it has no authority to issue a certificate of correction under the provision of 1.322.

In view of the foregoing your request in this matter is hereby denied.

A certificate of correction will issue for the remaining errors noted in your request.
